P.C. 1975-2196  
18 September, 1975

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL,  
on the recommendation of the Minister of State for Urban  
Affairs, pursuant to sections 21, 21.1, 26, 27.6, 34.14,  
48 and 53 of the National Housing Act, is pleased hereby  
to approve the terms and conditions outlined below, under  
which the Minister may make advances out of the Consolidated  
Revenue Fund to Central Mortgage and Housing Corporation  
(hereinafter referred to as "the Corporation") to permit it  
to make loans or acquire and develop land authorized by the  
National Housing Act.

- A. That advances made to the Corporation shall be  
in respect of loans which it is authorized to  
make pursuant to Parts II, III, III.1, IV.1,  
IV.2, VI, VI.1, VII, VIII, and sections 58  
and 59 of the National Housing Act (the loans  
made pursuant to each of the aforementioned  
parts or sections forming a lending program),  
or in respect of amounts which it is authorized  
to expend under Part II.1 for the acquisition  
and development of land.
- B. That each advance shall be in multiples of  
\$500,000.
- C. That advances to the Corporation shall be  
subject to the payment of interest only to an  
interest adjustment date which shall be the last  
day of the quarter in which the advance by the  
Minister was made.
- D. That interest on advances to the Corporation  
shall be calculated at rates which are equal to  
the rates established by the Minister of Finance  
in respect of Crown Corporation borrowings for  
the period during which the commitment to make  
a loan, to which the advance relates, was made  
by the Corporation, having regard to the term  
and the manner in which the principal is to be  
repaid.

- 2 -

- E. That the Corporation shall in respect of advances to it, give to the Minister of Finance at the end of each quarter debentures in accordance with the terms and conditions herein set forth.
- F. That the period of repayment of each debenture shall be the anticipated average period of repayment of the outstanding loans made by the Corporation within the lending program in respect of which the advance was made; such period shall be determined annually by the Corporation unless another period is fixed by the Minister of Finance after consultation with the Corporation.
- G. That each debenture shall be identified by the lending program to which the debenture relates and shall be repaid by the Corporation over the period of repayment determined pursuant to paragraph F, commencing six months after the interest adjustment date, the repayment to be made on the basis of equal semi-annual payments of blended principal and interest.
- H. That notwithstanding paragraph G, the payments of principal and interest with respect to the debentures may, in such circumstances as may be approved by the Minister of Finance, be deferred to such later date as shall be acceptable to the Minister of Finance and the Corporation provided, however, that during the period of deferral, interest shall be compounded semi-annually and shall be capitalized on such dates as the semi-annual payments of blended principal and interest commence.
- I. That the Corporation may, from time to time, apply any amount by which repayments made by borrowers from the Corporation pursuant to loans under the lending programs exceed scheduled debenture repayments (such excess being herein-after referred to as "the surplus") in one or more of the following manners:

.../3

- 3 -

- (i) to the prepayment, in whole or in part, of a debenture given by the Corporation with respect to the lending program for which the surplus exists which bears the interest rate closest to the weighted average interest rate on all outstanding debentures issued in respect of that program; or

WHEREAS the Minister of Transport reports that the management of Canadian National Railways advise as follows:

That The Canada and Gulf Terminal Railway Company now provides the only rail service to and from Matane, Quebec, which connects with the Canadian National Railways at Mont Joli, Quebec;

That in order to provide the Lower St. Lawrence Region with better transportation to its North Shore ports, Baie Comeau, Port Cartier and Sept Iles and the rest of Canada, it is proposed to develop a suitable rail-car ferry link between those ports and the existing railway facilities on the South Shore of the river, with Matane being the best place for development of the required trans-shipment facility and railhead on the South Shore;

That in order to provide the necessary improved transportation under a coordinated plan with necessary upgrading of existing trackage, it is proposed to enter into an Agreement with the said Canada and Gulf Terminal Railway Company, copy of which is on record in the Department of Transport, providing for the acquisition and operation by the Canadian National Railways of The Canada and Gulf Terminal Railway Company, the said Agreement to contain such provisions, as in the public interest are deemed advisable, including a provision to the following effect:

The Canadian National Railways will purchase all of the shares of The Canada and Gulf Terminal Railway Company, or so many thereof as may be secured but not less than 5923 such shares; provided that the net amount payable therefor to the vendors, after applying concurrent offsetting credits related to the disposition of non-rail assets of the latter Company, shall not exceed \$2,000,000;

.../2

- 2 -

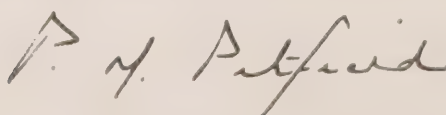

The Canadian National Railways will loan at fair market value to The Canada and Gulf Terminal Railway Company and/or guarantee the contractual obligations of The Canada and Gulf Terminal Railway Company up to a maximum amount of \$5,000,000 for the specific purpose of upgrading, modifying and extending the facilities of The Canada and Gulf Terminal Railway Company to the Port of Matane; and

Any such loans and guarantees by the Canadian National Railways will be specifically set forth in the Canadian National Railways' system annual capital budgets as approved yearly by the Governor in Council.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, with the concurrence of the Acting Minister of Finance, pursuant to sections 23 and 31 of the Canadian National Railways Act, is pleased hereby to

Vu le rapport du ministre des Transports exposant que la direction des Chemins de fer nationaux du Canada l'informe:

Que The Canada and Gulf Terminal Railway Company est, de toutes les sociétés ferroviaires qui desservent Matane (Québec), la seule dont le réseau soit raccordé à celui des Chemins de fer nationaux du Canada, à Mont-Joli (Québec);

Que, en vue d'améliorer les communications entre la région du Bas-Saint-Laurent et les ports de Baie-Comeau, Port-Cartier et Sept-Iles, situés sur la rive nord, et le reste du Canada, il est proposé de prolonger la liaison ferroviaire desservant la rive sud par un service de navires transbordeurs touchant auxdits ports et que Matane constitue le meilleur emplacement de la rive sud pour l'aménagement des installations de transbordement et de la tête de ligne requises;

Que, afin de réaliser l'amélioration nécessaire du service de transport dans le cadre de l'application coordonnée d'un programme prévoyant la réfection des voies existantes, il est proposé de conclure, avec The Canada and Gulf Terminal Railway Company, un contrat dont un exemplaire a été versé aux dossiers du ministère des Transports et qui prévoit l'acquisition et l'exploitation par les Chemins de fer nationaux du Canada de The Canada and Gulf Terminal Railway Company, ledit contrat devant contenir toutes clauses jugées utiles dans l'intérêt du public, et notamment une disposition stipulant que:

Les Chemins de fer nationaux du Canada acquerront toutes les actions de The Canada and Gulf Terminal Railway Company ou autant qu'ils pourront en

- 2 -

racheter pour disposer d'au moins 5 923 de ces parts sans verser aux vendeurs un montant net dépassant deux millions de dollars après déduction des sommes représentant le produit de la vente des actifs non ferroviaires de The Canada and Gulf Terminal Railway Company;

Les Chemins de fer nationaux du Canada prêteront à The Canada and Gulf Terminal Railway Company à des conditions justifiées par le marché, ou permettront à ladite compagnie, en garantissant ses obligations contractuelles, de se procurer des sommes pouvant aller jusqu'à cinq millions de dollars aux fins d'amélioration, d'aménagement et d'expansion des installations liant le port de Matane au reste du réseau de The Canada and Gulf Terminal Railway Company;

La totalité des prêts et garanties offerts par les Chemins de fer nationaux du Canada seront spécifiquement mentionnés dans le budget d'établissement que la société soumet annuellement à l'approbation du gouverneur en conseil.

A ces causes, sur avis conforme du ministre des Transports et avec l'assentiment du ministre des Finances suppléant, en vertu des articles 23 et 31 de la Loi sur les Chemins de fer nationaux du Canada, il plaît à Son Excellence le Gouverneur général en conseil, par les présentes:

- a) d'autoriser la compagnie des Chemins de fer nationaux du Canada à conclure un contrat avec The Canada and Gulf Terminal Railway Company; et

of the Privy Council, approved by His Excellency the Governor  
General on the 14 October, 1975

WHEREAS the Minister of Consumer and Corporate  
Affairs reports that

- (a) inflation in Canada at current levels is contrary to the interests of all Canadians,
- (b) the stabilization of the economy and the reduction of inflation have become matters of serious national concern, and
- (c) an anti-inflation program to restrain increases in profit margins, prices, dividends, and compensation is necessary to assist in stabilizing the economy and reducing inflation.

The Committee therefore on the recommendation of the Minister of Consumer and Corporate Affairs, advise that, for purposes of implementing an anti-inflation program, the following persons, namely:

The Honourable Jean-Luc Pepin, of the City of Ottawa,  
Ontario

Mrs. Beryl Plumptre, of the City of Ottawa, Ontario

be appointed Commissioners, under Part I of the Inquiries Act, to a Board to be known as the Interim Anti-Inflation Board, to exercise the following duties:

- (i) to monitor changes in prices, profits, compensation and dividends in relation to the Guidelines relating to these matters set out in the White Paper entitled "Attack on Inflation - A Program of National Action", tabled by the Minister of Finance in the House of Commons on October 14, 1975, and the general effectiveness and workability of the Guidelines both in general and in

- 2 -

their application to particular classes of businesses and groups of employees and from time to time report to the Governor in Council thereon recommending any modifications to the Guidelines that, in its opinion, would improve the effectiveness or workability of the Guidelines;

- (ii) to identify actual and proposed changes in prices, profits, compensation and dividends that, in its opinion, contravene or, if implemented, would contravene the Guidelines either in fact or in spirit;
- (iii) to determine the causes of actual and proposed changes in prices, profits, compensation and dividends referred to in paragraph (ii) that are, in its opinion, likely to have a significant impact on the economy of Canada or of a region of Canada, and endeavour through consultations and negotiations with the parties involved to modify such changes so as to bring them within the limits and spirit of the Guidelines or to reduce or eliminate their inflationary effect;
- (iv) where, in its opinion, consultations and negotiations under paragraph (iii) have failed or are likely to fail to modify actual or proposed changes in prices, profits, compensation and dividends to bring them within the limits of the Guidelines, to refer those changes to the Governor in Council for consideration;
- (v) through publication of reports, public hearings and meetings and such other methods as it considers appropriate, to promote public understanding of the inflationary process, the relationships between productivity, costs and prices, the various policies available to governments to deal with inflation and the advantages, effects and limitations thereof, the role to be played by businesses and groups of employees in combatting inflation and the implications of the failure of governments, businesses and groups of employees to cooperate in combatting inflation.

- 3 -

The Committee further advise that

- (1) the Interim Anti-Inflation Board be authorized to exercise all powers conferred on Commissioners by section 11 of the Inquiries Act;
- (2) the officers and employees of the departments of the Government of Canada render such assistance to the Interim Anti-Inflation Board as may be required for its activities;

- (5) the Interim Anti-Inflation Board be authorized to engage the services of such Counsel, staff, clerks and technical advisers as it may required at rates of remuneration and reimbursement to be approved by the Treasury Board and to engage the services of members of the Food Prices Review Board, as required, in order to approve the publications of the said Board;
- (6) in the case of any person who was engaged in the provision of services to the Food Prices Review Board on the day immediately preceding the day of this Order by virtue of a contract of service between that person and the Food Prices Review Board, the Interim Anti-Inflation Board shall, if so notified in writing by that person of his intention to fulfil his duties on behalf of the said Interim Anti-Inflation Board, assume the obligations and provide the benefits of the contract as if that contract of service had been entered into by the Interim Anti-Inflation Board;

- 4 -

- (7) the appointment of the Commissioners of the Interim Anti-Inflation Board be terminated on the day of the coming into force of the Anti-Inflation Act; and
- (8) the Honourable Jean-Luc Pepin be Chairman of the Interim Anti-Inflation Board and Mrs. Beryl Plumptre be Vice-Chairman.

Conseil privé, approuvé par Son Excellence le Gouverneur général le

CONSEIL PRIVÉ

Vu le rapport du ministre de la Consommation et des Corporations  
exposant

- a) que l'actuel taux d'inflation au Canada est contraire à l'intérêt public;
- b) que la question de la stabilisation de l'économie et de la réduction du taux d'inflation pose un problème sérieux au pays;
- c) qu'il importe d'établir un programme déflationniste qui permette de freiner la hausse des marges bénéficiaires, des prix, des dividendes et des rémunérations, de stabiliser l'économie et d'abaisser le taux d'inflation:

A ces causes, sur avis conforme du ministre de la Consommation et des Corporations, le Comité recommande qu'aux fins de la mise en oeuvre d'un programme déflationniste, les personnes dont le nom figure ci-après, à savoir

l'honorable Jean-Luc Pepin, d'Ottawa (Ontario)

et

M<sup>me</sup> Beryl Plumptre, d'Ottawa (Ontario),

soient nommées, en vertu de la Partie I de la Loi sur les enquêtes, commissaires d'une commission devant être désignée sous le nom de Commission provisoire de lutte contre l'inflation, et investies des fonctions suivantes:

- (i) surveiller le mouvement des prix, profits, rémunérations et dividendes en fonction des indicateurs définis dans le Livre blanc intitulé "Offensive contre l'inflation - Un engagement national", déposé à la Chambre des communes le 14 octobre 1975, ainsi que l'efficacité et utilité générale ou particulière desdits indicateurs vis-à-vis de certaines catégories d'entreprises ou groupes d'employés, et faire rapport au Gouverneur en conseil en recommandant d'y apporter les modifications qu'elles jugent susceptibles de les rendre plus utiles ou efficaces;
- (ii) établir les mouvements réels ou envisagés des prix, profits, rémunérations et dividendes, qui, à leur avis, contreviennent ou sont susceptibles de contrevenir à la lettre ou à l'esprit des indicateurs;

- (iii) détecter les causes des mouvements réels ou envisagés de prix, profits, rémunérations et dividendes, établis conformément à l'alinéa (ii), qui, à leur avis, auront vraisemblablement des conséquences importantes sur l'économie canadienne ou une région du Canada, et chercher, à l'aide de consultations et de négociations avec les parties intéressées, soit à les rendre conformes à la lettre et à l'esprit des indicateurs, soit à en réduire ou à en supprimer l'effet inflationniste;
- (iv) soumettre à l'examen du Gouverneur en conseil les mouvements réels ou envisagés de prix, profits, rémunérations et dividendes dans le cas où elles estiment que les consultations et négociations menées, conformément à l'alinéa (iii), en vue de les rendre conformes aux indicateurs ont abouti ou aboutiront vraisemblablement à un échec;
- (v) par la publication de rapports, la tenue d'audiences publiques ou de réunions ou tout autre moyen, développer les connaissances du public sur les mécanismes de l'inflation, le rapport entre la productivité, les coûts et les prix, les diverses mesures auxquelles les gouvernements peuvent recourir pour freiner l'inflation, ainsi que leurs avantages, effets et limites, le rôle à jouer par les entreprises et les groupes d'employés

pour la combattre et les conséquences d'un manque de coopération dans cette lutte entre les gouvernements, les entreprises et les groupes d'employés.

Le Comité recommande en outre

- (1) que la Commission provisoire de lutte contre l'inflation soit autorisée à exercer tous les pouvoirs que lui confère l'article 11 de la Loi sur les enquêtes;
- (2) que les fonctionnaires et employés des ministères fédéraux fournissent à la Commission toute l'aide dont elle pourra avoir besoin pour mener à bien ses travaux;
- (3) que le mandat des commissaires de la Commission de surveillance du prix des produits alimentaires, établie en vertu du décret C.P. 1973-1239 du 25 mai 1973, dans sa forme modifiée, prenne fin le jour où sera pris le présent décret;
- (4) que la Commission provisoire de lutte contre l'inflation soit autorisée à rendre publics les rapports dont il est fait mention à l'alinéa (v) et à publier, au nom de la Commission de surveillance du prix des produits alimentaires, tous les rapports dont la publication aura été approuvée;

- (5) que la Commission provisoire de lutte contre l'inflation soit autorisée à retenir les services des avocats, du personnel, des commis et des conseillers techniques qu'elle pourra juger nécessaires et à leur verser les traitements et indemnités qu'approuvera le Conseil du Trésor, et à retenir, au besoin, les services des membres de la Commission de surveillance du prix des produits alimentaires aux fins de l'approbation des publications de ladite Commission;
- (6) dans le cas d'une personne dont la Commission de surveillance du prix des produits alimentaires a retenu les services par contrat la veille de la date portée sur le présent décret, la Commission provisoire de lutte contre l'inflation soit tenue, si cette personne l'informe par écrit de son intention de s'acquitter de ses obligations auprès de ladite Commission provisoire de lutte contre l'inflation, d'assumer les engagements et de verser les émoluments prévus par le contrat comme si elle avait elle-même conclu celui-ci;
- (7) que le mandat des commissaires de la Commission provisoire de lutte contre l'inflation prenne fin le jour de l'entrée en vigueur de la Loi anti-inflation; et

- (8) que l'honorable Jean-Luc Pepin assume la présidence de la Commission provisoire de lutte contre l'inflation, et M<sup>me</sup> Beryl Plumptre la vice-présidence.

The Honourable Raymond Garneau,  
Minister of Finance,  
Province of Quebec,  
Parliament Buildings,  
Quebec, Quebec.  
G1R 4Z6

Dear Mr. Garneau:

Under the authority of the Established Programs (Interim Arrangements) Act, Revised Statutes of Canada, 1970, E-8, as amended, the Government of Canada, represented by the Minister of National Health and Welfare and the Minister of Finance, and the Province of Quebec, represented by the Minister of Health and the Minister of Family and Social Welfare, entered into supplementary agreements respecting the Hospital Insurance Program and the Special Welfare Program. These agreements, by their specific terms, as amended, had effect during interim periods ending, in the case of the Hospital Insurance Program on December 31, 1974, and in the case of the Special Welfare Program, on March 31, 1974.

The Federal-Provincial Fiscal Arrangements Act, 1972, Statutes of Canada, 1972, c. 8, authorizes the continuation of payments and agreements in respect of the aforementioned programs referred to in paragraphs 1 and 2 of the Established Programs

susmentionnés visés aux alinéas 1 et 2 de la Loi sur les programmes établis (Arrangements provisoires), modifiée, pour des périodes supplémentaires se terminant, dans le cas du programme d'assurance-hospitalisation, le 31 décembre 1977, et dans le cas du programme spécial de bien-être, le 31 mars 1977. En vertu du décret daté du \_\_\_\_\_, le ministre de la Santé nationale et du Bien-être social et le ministre des Finances au nom du gouvernement du Canada, ont été autorisés par le gouverneur en conseil à conclure un accord avec la province de Québec afin de prolonger jusqu'au 31 décembre 1976 la période d'application de l'accord supplémentaire sur le programme d'assurance-hospitalisation, et jusqu'au 31 mars 1976, celle de l'accord supplémentaire sur le programme spécial de bien-être.

A ces fins, il est proposé que la "période transitoire" établie à l'alinéa (d) de la sous-disposition (1) de la disposition 1 de l'accord supplémentaire sur le programme d'assurance-hospitalisation soit interprétée comme suit:

"(d) "période transitoire" désigne la période commençant le 1<sup>er</sup> jour de janvier 1965 et se terminant le 31<sup>e</sup> jour de décembre 1976;"

que la "période transitoire" établie à l'alinéa (b) de la sous-disposition (1) de la disposition 1 de l'accord supplémentaire sur le programme spécial de bien-être soit interprétée comme suit:

"(b) "période transitoire" désigne la période commençant le 1<sup>er</sup> jour d'avril 1965 et se terminant le 31<sup>e</sup> jour de mars 1976;"

(Interim Arrangements) Act, as amended, for further periods ending, in the case of the Hospital Insurance Program on December 31, 1977, and in the case of the Special Welfare Program, on March 31, 1977. The Minister of National Health and Welfare and the Minister of Finance on behalf of the Government of Canada have been authorized by the Governor-in-Council by P.C. \_\_\_\_\_ dated \_\_\_\_\_

\_\_\_\_\_, 1975, to enter into an agreement with the Province of Quebec to extend to December 31, 1976, the period during which the supplementary agreement in respect of the Hospital Insurance Program, and to March 31, 1976, the period during which the supplementary agreement in respect of the Special Welfare Program shall have effect.

For such purposes, it is proposed that the "interim period" as set out in paragraph (d) of subclause (1) of clause 1 of the supplementary agreement in respect of the Hospital Insurance Program be read and construed as follows:

"(d) "interim period" means the period commencing on the 1st day of January, 1965, and ending on the 31st day of December, 1976;"

that the "interim period" as set out in paragraph (b) of subclause (1) of clause 1 of the supplementary agreement in respect of the Special Welfare Program be read and construed as follows:

"(b) "interim period" means the period commencing on the 1st day of April, 1965, and ending on the 31st day of March, 1976;"

et que la sous-disposition (3) de la disposition 4 de l'accord sur le Régime d'assistance publique du Canada soit interprétée comme suit:

"(3) Le Canada n'est tenu de verser aucune contribution ou paiement à la province de Québec en raison des dispositions de la Partie I de la Loi ou du présent accord à l'égard de toute période précédant le 1<sup>er</sup> avril 1976, sauf dans les cas prévus par la Loi sur les programmes établis (Arrangements provisoires) réputée être modifiée par le paragraphe (2) de l'article 19 de la Loi;"

La présente ainsi qu'une lettre de vous indiquant que la province de Québec approuve la proposition ci-jointe constitueront un accord supplémentaire aux termes de la Loi sur les programmes établis (Arrangements provisoires), modifiée, et les accords supplémentaires initiaux seront considérés comme étant modifiés en conséquence.

and that subclause (3) of clause 4 of the Canada Assistance Plan agreement shall be read and construed as follows:

"(3) Canada shall be under no obligation to make any contribution or payment to Quebec by reason of the provisions of Part I of the Act or of this agreement in respect of any period before April 1, 1976, except as provided by the Established Programs (Interim Arrangements) Act as it is deemed to be amended by subsection (2) of section 19 of the Act;"

This letter and a letter from you signifying the concurrence of the Province of Quebec to the proposal contained herein shall constitute a supplementary agreement within the terms of the Established Programs (Interim Arrangements) Act, as amended, and the original supplementary agreements shall be considered to be amended accordingly.
